Apostles' Creed

I believe in God the Father Almighty, Maker of heaven and earth. And in Jesus Christ, his only Son, our Lord; who was conceived by the Holy Spirit Born of the Virgin Mary, Suffered under Pontius Pilate, was crucified, dead, and buried; He descended into Hell The third day he rose again from the dead; He ascended into heaven, And sits on the right hand of God the Father Almighty; From there he shall come to judge the living and the dead. I believe in the Holy Spirit; The holy Catholic Church; The communion of saints; the forgiveness of sins, the resurrection of the body; and the life everlasting. Amen.

Akashuka mahali pa wafu , siku ya tatu akafufuka akapaa binguni , ameketi mkono wa kuume wa Mungu Baba Mwenyezi . kutoka huko atakuja kuhukumu watu waliyohai na wafu . Namwamini Roho Mtakatifu , Kanisa takatifu lililo moja , ushirika wa watakatifu, ondoleo la dhambi, kiyama ya mwili na uzima wa milele . Amina.

MINISTER'S DESK

MAKE GOOD USE OF TODAY

-Today is the first day of the **rest of your life**, therefore be in charge.

-The **best preparation** for tomorrow is doing your best today.

-Don't ever stumble over what's behind you. **Neither trip** over tomorrow. Just focus on today

-Education is the **passport to the future**, for tomorrow belongs to those who prepare for it today.

-There is a specific reason why time exists, time is a crucial parameter in the **physical world.**

-There is **nobody alive** who has nothing to offer.

-If there is anything we can be sure of is our today. we do not know of tomorrow neither can we change our yesterday.

"**Today** is a gift from God - that is why it is called the present "Ravi Shankar

-We have **no idea** of what will happen tomorrow, but we can hope.

-We cannot change what happened yesterday, but we can carry the lesson that we learn from it.

-Today, right now is only gift we have that we can experience, consume, or convert.

"Today is your day to paint life in bold colors; set today's rhythm with your heart-drum; walk today's march with courage; create today as your celebration of life" Jonathan Lockwood Huie

-Enjoying the present is a choice that we all must make, it is **conscious and deliberate**.

-Remember, that irrespective of how today may seem or feel like, it is **a gift nevertheless**.

-See your future in God's hand all the time, starting today.

-Yesterday with its **goodies is gone**, tomorrow with its promises is not yet here but today is the only gift we have.

"Yesterday is a canceled check. Tomorrow is a promissory note. **Today** is the only cash you have. So spend it wisely". Kay Lyons
