Apostles' Creed

I believe in God the Father Almighty, Maker of heaven and earth. And in Jesus Christ, his only Son, our Lord; who was conceived by the Holy Spirit Born of the Virgin Mary, Suffered under Pontius Pilate, was crucified, dead, and buried; He descended into Hell The third day he rose again from the dead; He ascended into heaven, And sits on the right hand of God the Father Almighty; From there he shall come to judge the living and the dead. I believe in the Holy Spirit; The holy Catholic Church; The communion of saints; the forgiveness of sins, the resurrection of the body; and the life everlasting. Amen.

MINISTER'S DESK

THE POWER OF COURAGE

-To **begin anything,** it takes more than decision, it takes courage.

-**Courage is not emotional** but the will power and decision to do the right thing in contrary environment.

- It is not the **absence of fear**, but living your life in vicinity of fear, regardless of its threats.

- Courage is being able **to overcome** the need to be needed, it is being able to live with yourself

-Courage is **standing up for what belongs to you**, regardless of status, the influence, and disappoints.

-Courage means **believing that your product is the best** and your difference makes the world go round

-**What is yours is** yours and courage is believing that you deserve it even when others suggests otherwise.

-The beginning of any endeavor can be somewhat daunting, it **calls for the courage**

-Courage is **detaching yourself from the definition** people possess about you.

-It is i**dentifying your own definition** and training people to live with it

-**Taking the first step in any task** can be one of the most unnerving things to do, it is only in taking the first step that all other steps end up becoming clearer.

-Without us taking steps, **God has no steps to order**, no reason to favour and no cause to bless.

-**Over dependence on people** who may have little or no knowledge of your passion, vision, mission is always detrimental to our dreams.

-Courage is being ready and willing **to upset the status quo** by embracing the: Discomfort, Inconvenience and Threat of change

-**Courage is accepting** that to some people you will never be enough, sufficient, satisfactory, it is not your fault, it is their loss.

-To have courage is to be ready:

-To confront with your **dreams people** that love you but do not like you

-To confront people that **believe in you** but do not believe you.

God has not given us **the spirit of fear and timidity** but of love, of power and of sound mind.
