Apostles' Creed

I believe in God the Father Almighty, Maker of heaven and earth. And in Jesus Christ, his only Son, our Lord; who was conceived by the Holy Spirit Born of the Virgin Mary, Suffered under Pontius Pilate, was crucified, dead, and buried; He descended into Hell The third day he rose again from the dead; He ascended into heaven, And sits on the right hand of God the Father Almighty; From there he shall come to judge the living and the dead. I believe in the Holy Spirit; The holy Catholic Church; The communion of saints; the forgiveness of sins, the resurrection of the body; and the life everlasting. Amen.

Namwamini Roho Mtakatifu , Kanisa takatifu lililo moja , ushirika wa watakatifu, ondoleo la dhambi, kiyama ya mwili na uzima wa milele . Amina.

MINISTER'S DESK

WALK THE TALK

-We all have made **promises to ourselves** at some point or another.
-Every single one of us hopes for a **better or brighter tomorrow**
-These self-talk can become our **weakness setback and dark struggles** if not well checked.
-Self-talk should never become **a license for complacency or laxity**.
-Every road to progress must always be undertaken under the **guide of certain resolves**.
-You have to be able to reassure yourself that you can **overcome any situation**
-Regardless of the mistake you make always remind yourself that **you are always better than someone who never tried.**
-**Focus on being better** rather than explaining why you failed
-**Every setback** is a setup for a coming back.
-Do not dwell on what you cannot do, **polish what you are able to do**
-Do not allow **your past to be a hindrance** for your future, instead let the pain of losing be a driving force.
-Set goals that make you make you to go **an extra mile.**
-Setting goals is the first step in turning the **invisible into visible.**
-**Your failure** does not show your weakness only; it also shows where you need to improve.
-**Choose the road** you want to walk in then prepare for the journey.
-Ask yourself **where** do I want to go?, **why** do I want to go there?, **how** will ensure I get there?
-These questions help us evaluate and estimate the investment in money, emotions and sacrifice.
-Always remember anything can happen so avoid the **fear of unknown.**
-In every **pain is gain**, sometimes God sends blessings that look like work.
-In this life, **the biggest supporters will be strangers,** people who do not known even your origin.
-Stay focused on your journey and remind yourself that **people will always be selfish** before they can help you.
