EVERYONE IS A LEADER IN HIS OR OWN WAY

-Leadership is awesome responsibility of **serving others.**

-To lead others is not a position of advantage or superiority, not even a job but a call.

-The leader is the one who:

-**Knows** the way

-**Goes** the way

-**Shows** the way.

-Leadership is not about **entitlement or a position or a salary** it is about:

-Impact -influence

-Transformation -Transformation

-To lead others is accept to share ourselves with them.

-**Different levels of responsibility** have different levels of reward.

-People do not care how much you have done or can do, until they know **how much you care.**

-**Love is nothing** until it is shared in our leadership.

-As a leader do not **emotionalize** your request, improve your negotiation

-Learn not to **raise your voice**, just improve your argument.

-You become a leader when people can **irritate** you without getting caught up in their irritation.

-In this life, you do not gain what you **deserve,** but what you **negotiate for.**

-The good you sow, will come back to you in **measures and qualities**.

-Time has a way of transforming and causing **incredible turnarounds.**

-Leadership is all about:

-Being real

-Being humble

-Being able to share

-Touching the lives of others.

THOUGHT FOR THE WEEEK
